HANDLING OF COVID-19 AT THE BOARDING SCHOOL ATTENTION - If you travel from abroad

Dear boarding school students and parents,

We hope that you all are well.

We are pleased that we can finally see an end to the restrictions, in relation to COVID-19. In Denmark, almost all restrictions will be gone when we start up again for the new school year in August.

Where we still will be affected in relation to COVID-19 is in connection when entering Denmark, depending on which country you travel from.

Therefore, it is important that you keep yourself updated throughout the summer, as changes may occur.

Upon arrival at the boarding school, everyone from abroad must be able to document the following:

- Your arrival date to Denmark, by presenting your flight ticket / travel ticket. It must also be possible to present one's passport.
- You must show a negative test not more than 96 hours old or evidence of completed European Medicines Agency (EMA) approved vaccine, that are 14 days old or more.
- For those of you who are traveling from an orange or red country, you must be aware that you will have to get into a 10-day quarantine if you can't present a completed European Medicines Agency (EMA) approved vaccine, that are 14 days old or more. You must be able to document your quarantine by presenting your ticket for entry to Denmark. You must take care of the 10-day quarantine yourself.

If the above can't be documented before arriving or when you arrive at boarding school, you can't be allowed to enter the boarding school.

See more info on the following website:

<https://en.coronasmitte.dk/rules-and-regulations/entry-into-denmark/legal-requirements-upon-entry>

If you as parents have entered Denmark and would like to help by moving into the boarding school, you must also be able to document the above.

For those of you who come from countries that are affected by the quarantine, we strongly recommend that you book a ticket and arrive 10 days before boarding school / school start, which is:

- New students start on Saturday, August 7, 2020. Should therefore arrive July 24, 2020.
- Continuing students start on Sunday, August 8, 2020. Should therefore arrive July 25, 2020.

It is important to be involved from the start, both in relation to the boarding school and the teaching at school, so we recommend the above.

Please send the documentation before arrival. You must send it to the undersigned, Head of boarding school by e-mail (ba@nyborg-gym.dk) before July 30, 2020.

Wish you all a wonderful summer!

Best wishes and thoughts

Yours sincerely,

Betina Hyldgaard Andersen
Head of Boarding School
