

Offer for all students in collaboration with Odense University Hospital – OUH - get your COVID-19 vaccine (Pfizer/BioNTech)

If you have a Danish cpr. no.

Now you can get your COVID-19 vaccine at school.

Come by the auditorium on Tuesday, 17 August between 9.00 and 16.00. Remember your health insurance certificate and eat / drink a little before!

What about the 2nd vaccine? You can get **your second vaccine on 14 September**, when the staff from the hospital comes again.

NOTE: It will also be possible to receive your second injection Tuesday 17 August, if you have already had your first injection with Pfizer/BioNTech, as long as the interval between the two injections is adhered to.

We would encourage you all to accept the offer if you have not received the vaccine. It is important that as many people as possible at school receive the vaccine, so that we can avoid closure, get our everyday life back and most importantly, that we avoid infecting the vulnerable.

Offer for all students in collaboration with Odense University Hospital – OUH - get your COVID-19 vaccine (Pfizer/BioNTech)

If you don't have a Danish cpr. no.

On 17 August, a bus will leave outside the school's main entrance at 9.00 in the morning. The bus will drive you to Odense, to get your first vaccine, and will take you back afterwards.

On 14 September, you will have to go to Odense again to get your second vaccination.

Once again, a bus will be outside the school's main entrance at 9.00 in the morning and drive you to Odense, to get your second vaccine.

You MUST sign up if you want to participate in the trip to OUH - write an email to sha@nyborg-gym.dk no later than Sunday, 15 August at 18.00
